INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to the duty of disclosure under 37 CFR §§ 1.56, 1.97, and 1.98, applicant submits herewith a Supplementary Information Disclosure Statement (IDS) accompanied by the Form PTO-1449 with the prior art reference listed therein. These references were cited in the International Search Report issued on 11 November 2004 in the above-identified counterpart PCT application, copy of which is attached hereto.

Since the Patent Office has waved the requirement under 37 CFR § 1.98(a)(2)(I) for submitting a paper copy of each cited US Patents and US Patent Application Publication, and, in view that all of the references cited in this IDS are the US Patent documents, no copies of these

documents are required to be submitted along with the Form PTO-1449. Further, because the documents are in the English language, no concise explanation of their relevancy is necessary, as pointed out in 37 CFR §1.98 (3)(I).

Inasmuch as this IDS is being filed with the national application under §1.53(d), the information disclosed therein is believed to be timely filed under 37 CFR §1.97(b)(1). Accordingly, consideration of the cited references is deemed proper, and is therefore respectfully requested.

No fee is deemed necessary in connection with the filing of this communication. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to the undersigned firm's Deposit Account No.07-1730, Docket No. 4046-042. A duplicate copy of this page is attached for that purpose.
